Betreft, 15 oktober regelgeving speciale dispensatie

Besluit Competitieleider

Door het bestuur van Rugby Nederland wordt speciale dispensatie verleend aan Michael Mbaud, bondsnummer 65171, lid van Haagsche Rugby Club, om deel te nemen aan de Nederlandse competitie in de Ere of Eerste klasse.

“Michael current resides in the United Kingdom. Michael is a member of the U20 National side. He represented the Netherlands in last year’s successful European Championships and is a vital member of this squad.

He has recently returned from injury and we would like to monitor and control his game time. We can do this by allowing him to play in the Dutch competition for Rugby Club Den Haag. We have agreed with Den Haag about the conditions of how many minutes and opportunities he should be able to play.

The European Championship is in the first week of April and we desperately need Michael to start his return to play as soon as possible.”

Met vriendelijke groet, namens het bestuur van Rugby Nederland,

Rugby Nederland
Fred van Verseveld, competitieleider.
